

# Innovative Remediation Solutions Workshop – Ontario Region

OCETA, in collaboration with the Ontario FCSAP Interdepartmental Regional Working Group, is pleased to present this ***Innovative Remediation Solutions Workshop – Ontario Region***, a unique day and a half workshop designed for custodians, innovative technology vendors, consultants and providers.

## **This Workshop will:**

- Provide custodians, technology vendors and participants with the opportunity to discuss issues and collaborate to address barriers on contaminated sites in Ontario.
- Facilitate and increase awareness on the available innovative Canadian remediation solutions.

## **Highlights:**

- Identify and address issues, barriers and challenges faced by custodians of contaminated sites in Ontario;
- Presentations by Technology Vendors / Providers on challenges and barriers raised by Ontario Custodians;
- Case Studies on the use of innovative technologies / solutions at Federal Contaminated Sites;
- Breakout Sessions on opportunities and impediments to the use of Innovative Remediation Technologies and Approaches at contaminated sites in Ontario;
- Mini-Trade Show & Poster Displays; and
- Sponsored Networking Event.

## **Registration Opens Fall 2008**

**Early Bird Rate:** \$175 (cut-off Nov. 7/08)

**Standard Rate:** \$225 (cut-off Jan. 23/09)
